[FOH]

Note: This is our "ideal" stage plot but we also use a single condenser microphone when the circumstances allow. Loud environments such as clubs should request our alternate stage plot that specifies individual vocal and instrument lines questions: info@hillbenders.com

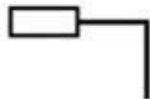

= Condenser microphone (AT 4041 or equivalent)

= Power Drop

= Instrument microphone [Condenser Preferred (AT 3031 or equivalent)]

= XLR line for Preamp/DI output
